

## Report on Research Methodology session conducted by Department of Accountancy

Date: 06/07/2023

Time: 10:30 am to 12 pm.

On 06/07/2023, Mr. Ajay Saraf conducted an insightful session on "Research Methodology, Its Tools, and Types of Research Journals." The session aimed to provide participants with a comprehensive understanding of research processes and publication strategies.

Mr. Saraf began by explaining the basics of research methodology, including the importance of selecting the appropriate research design and tools. He covered various data collection methods such as surveys, interviews, and observations, highlighting their significance in both qualitative and quantitative research.

The session then moved to types of research journals, where Mr. Saraf differentiated between peer-reviewed, open-access, and indexed journals. He explained the importance of publishing in reputable journals for academic recognition and the dissemination of research findings.

The session concluded with an interactive Q&A, where Mr. Saraf provided practical advice on journal selection and research best practices. Overall, the session was highly informative and engaging.

Total of 19 staff members were present for the above session.
