“ *The buildings of stone and mortar would be temples of learning only where a bond would be woven between the traditions and values of the past and the skills and opportunities of the present and the future.* ”

A MESSAGE FROM OUR FOUNDER

*My dear young Students,
Welcome to you to the Institutions of Vidyavihar!
Your finest hour is here. The future belongs to you. Let us all zealously work together and dedicate ourselves to build India of our dreams.
Remember nothing ever achieved without hardwork. Be bold but be not bowled over. Let truth and duty be our watchwords. Never despair in the face of setbacks. Keep courage and continue to work with fortitude. Have faith in yourselves and in the Almighty.
Strive for your goals and the future is yours!*

FROM THE PRINCIPAL'S DESK

Dear students,

Welcome to you all to S.K Somaiya college of Arts, Science and Commerce, Affiliated to University of Mumbai and Recognised by Government of Maharashtra.

Learning is a lifelong journey that extends far beyond the boundaries of classrooms and universities. It does not cease with the completion of formal education. Undoubtedly, it is a process that lasts a life time. S.K Somaiya College of Arts, Science and Commerce (SKSASC) aims to provide comprehensive

education for students and embraces various teaching approaches that are tailored to the ever-evolving world, with the ultimate aim of achieving their goals and objectives.

Considering that education touches life forever, we believe in a holistic education that includes Academics, Co-curricular and Extracurricular activities, and life skills. That belief is evidenced by the Vibrant campus, Sports, Research, and academic facilities.

Our team of dedicated and passionate faculties are committed to creating innovative and dynamic learning experiences that inspire curiosity, creativity and adaptability in our students. Our teachers are always striving hard to provide students with the latest knowledge and skills that help them excel in this fiercely competitive world. The Non Teaching staff are also highly proactive and helpful in assisting students regarding various aspects of Administrative matters.

Apart from the regular curriculum the college stresses on the orientation of the students towards industrial out-look so as to tune the students with the current developments in various fields. The college has an Excellent placement cell that moulds the students as per the requirement of the Corporate world and strives for Good career opportunities for the students.

I firmly believe that education is a collaborative effort involving professional administrators, dedicated teachers, and motivated students. As professional leaders, we are committed to creating a dynamic educational program that provides students with a global perspective.

Wishing all the students a very productive association with our institution.

Dr Purushottam Wadje.

ABOUT THE CAMPUS

Somaiya Vidyavihar is well renowned for its vast and lush green campus housing 34 institutions imparting academic excellence in fields as varied as medical, engineering, commerce, Sanskrit, Buddhism and so on. Somaiya Institutions have acquired a brand name world over. For last 50 years the Somaiya educational group has created a glorious record of providing Value Based Quality Education.

ABOUT THE COLLEGE

The College basically offers two programs – Bachelor of Arts and Bachelor of Commerce. Both programs have been an ideal and popular choice for students since they offer a variety of career options.

The Institute has a vibrant community of students. S K Somaiya College of Arts, Science and Commerce (SKSASC) basically focuses on holistic progress of the learners. The learners are encouraged to be a part of various Associations of the college. They are also given ample opportunities to pursue diverse Add on / Certificate programs laying stress to practical knowledge and skills.

The College offers multifarious Add on / Certificate Programs that focus on learners' critical aptitudes, logical thinking and professional abilities thereby equipping them with strategies and techniques needed in the corporate world. Add on programs like Researching Minds, Capital Markets, Sustainable Development and Corporate Social Responsibility, Memory, History and knowledge, Exploring Archives and Libraries: to mention a few are offered by Department of Psychology, Economics, Sociology and History respectively. The programs enable the students to mould and upgrade their skills and be Corporate ready.

S K Somaiya College of Arts, Science and Commerce (SKSASC) also gives impetus to all round development of the learners through diverse associations, clubs, such as Cultural Forum, NSS, NCC, Nature club, sports association and the cultural forum is a student centric platform that motivates the students to explore and enhance their creative potential. The NSS Unit lays emphasis on leadership skills, selfless service to society and efficient administration. The concept of Team Spirit and Unity is inculcated by the sports committee. Overall, the institute is a Treasure trove for the budding talents.

The College takes pride in establishing a prestigious name in the field of education. The college made a modest beginning in the year 1995 with 300 students offering just two educational streams. Today it proudly boasts of educating 2500 approx. students every year and offering two Under-Graduate programs. Inspired by the vision of our founding father we endeavour to impart qualitative value-based education. Over the years we have strived to blend conventional education with contemporary courses so as to equip our students with knowledge and skills required for gainful employment. We offer, to our students a basket of career-oriented courses to choose from, as per their interests. The teaching learning process at our institute imbibes a very global approach i.e. while using the traditional personal touch method the faculty also uses the latest information communication technology to make the learning process highly effective.

VISION

- **Building an institution of academic excellence for enabling acquisition of knowledge, skills, and values.**

MISSION

- **To strive for knowledge that leads to self-learning and emancipation.**
- **To encourage critical thinking, creativity and reasoning that lay the foundation for sustainable development of essential life skills.**
- **To integrate globally as learned citizens through continuous research and development.**

QUALITY POLICY

- **To nurture young minds with values knowledge and skills so as to equip them to earn a life of dignity and become proud successful citizens of our country.**
- **Several teaching techniques are used in combination to provide a balance of theoretical and practical knowledge. This two pronged approach towards education grooms our students to face the professional challenges of career in a most amicable manner.**
